

GENERAL PROCUREMENT NOTICE

Republic of Lebanon

Water Supply Systems in Jabal Amel Region – Phase III South - Lebanon

Mode of Financing: *Istisna*

Financing No. 2LEB0089

The Government of Lebanon has received financing in the amount of US\$ 60,970,000 equivalent from Islamic Development Bank (IDB) toward the cost of implementation of the Water Supply Systems in Jabal Amel Region – Phase III, South – Lebanon, and it intends to apply part of the proceeds to payments for goods, works, related services and consulting services to be procured under this project.

The project will include transmission lines, rehabilitation, extension and new water supply networks mainly in Bint Jbeil, Sour, Hasbaya and Marajeoun Cazas. Approximate total length of transmission lines and distribution lines is 965 kms, in addition to water reservoirs for selected villages which are served from Taibe Water Treatment Plant, Wazzani river, and water wells systems within the current study area.

Procurement of contracts financed by the Islamic Development Bank will be conducted through the procedures as specified in the Guidelines for Procurement of Goods and Works under Islamic Development Bank Financing (current edition), and is open to all eligible bidders as defined in the guidelines. Consulting services will be selected in accordance with the Guidelines for the Use of Consultants under Islamic Development Bank Financing (current edition).

Specific procurement notices for contracts to be bid under the Islamic Development Bank's international competitive bidding (ICB) or international competitive bidding – member countries (ICB/MC) procedures and for contracts for consultancy services will be announced, as they become available, in IsDB Website, CDR website (www.cdr.gov.lb/procurement) and in the following newspapers: Al Nahar, Al-Liwa', Al-Mustaqbal, Al-Diyar, L'Orient le Jour, Daily Star and Al-Shark Al-Awsat.

Prequalification of suppliers and contractors will be required for the following contracts:

- Consultancy Services for Preliminary Design, Detailed Design and Preparation of Tender documents for the above project.
- Consultancy Services for Supervision of the construction works for the above project.
- Construction of Water Supply Systems in Jabal Amel Region in South – Lebanon Phase III – Packages I and II.
