Water Supply Augmentation Project (Bisri Dam)
Construction of the wastewater network and treatment systems in the upstream catchment villages

(Loan No. 2LE0087 – Project No. LBN-0135)

The Government of Lebanon has received a loan from the Islamic Development Bank (IDB) toward the cost of implementation of the Greater Beirut Water Supply Augmentation Project (Bisri Dam Project). The Council for Development and Reconstruction (CDR), Project's implementing agency, intends to apply part of the proceeds to payments under the contract for the construction of the wastewater network and treatment systems in the upstream catchment villages of Bisri Dam, and aims to prequalify contractors and/or firms for works or goods to be procured under this contract.

Prequalification will be conducted through prequalification procedures specified in the *Guidelines for the Procurement of goods and works under Islamic Development Bank Financing (valid edition)*, and is open to all bidders from eligible Member Countries, as defined in the guidelines. Association with International firms is allowed only if the JV Lead Partner is from IDB Member Countries.

Interested eligible applicants may obtain further information from and inspect the prequalification document as of Tuesday July 21st, 2020 at the CDR (address below) during normal working hour periods (from 8:00 to 13:00), Beirut local time. Applicants requiring any clarification shall contact the Employer in writing (i.e. only by duly registered correspondences or facsimile) at the address below.

A complete set of the prequalification document in English may be purchased by interested applicants upon payment of a nonrefundable fee of US\$ 500 (USD five hundreds) in the form of the banker's certified check in the name of the Council for Development and Reconstruction.

Applications for prequalification should be submitted in sealed envelopes, delivered to the CDR Tenders Department at the address below not later than 12:00 o'clock noon, Beirut local time on **Wednesday September 9th, 2020** and be clearly marked "Application to Prequalify for Greater Beirut Water Supply Augmentation Project – Construction of the Wastewater Network and Treatment Systems in the Upstream Catchment Villages".
